We Are All Equal
But Not The Same

Everything began on Saturday. In a small Austrian place of St. Primus, 8 countries found themselves and started their 10-day long middle-European adventure. Austria, Bosnia and Herzegovina, Croatia, Czech Republic, Slovenia and Serbia with Hungary and Portugal for the first time at the camp - even though it was a beginning day - many friendships and memories were already made.

Sunday, 24th June

The programme began with the formation of the international groups and some workshops and games with Slovenian scouts - Scoutball, Tie up with your brain, Make your own spoon, etc.

At night there was the cultural evening of Austria and Slovenia. In the Austrian part we played a game with our international teams where we had to take photos of different things as a team.

At the Slovenian part we were dancing a traditional Slovenian dance "polka" and eating Slovenian traditional food "potica".

Monday, 25 June

This was the day when we reflected about social exclusion situation in our countries. Each national group presented a sketch describing their reality.

In the afternoon the international groups made a reflection about their situations. This discussion was then presented in the form of a poster.

The cultural evening had belonged to Portugal, which presented the traditional portuguese music - Fado.

Tuesday, 26 June

Tuesday was a Croatian day. Croats had to wake up the whole camp at 5:30 because it was a hiking day as well. After their energizer, everyone was full of energy to begin the way to Klopeiner lake.

Even though it was raining, the rain didn't destroyed the will for volleyball tournament and swimming in the lake.

In the evening, Croatian team organised the watching of a football match on the big screen (Croatia won over the Iceland with 2:1). After that, they played the game which name was "Make the storm" and everybody really enjoyed it.

Wednesday, 27 June

Wednesday started with a folk Hungarian music to wake up everyone. During the day we heard some amazing life stories.

In the afternoon we spoke with refugees who live in Austria and there was a volleyball tournament with the guests.

The Hungarian and Serbian groups presented their countries with games and musics.

Thursday, 28 June

Thursday was meant to be a very intensive day - and it was indeed. Waking up at 6:00 and travelling to Klagenfurt, everyone was still a bit sleepy, but not for long.

Excitement came over tiredness and soon everybody hardly waited the afternoon and the guided city tour.

In the evening there was a concert by a famous Austrian musician - Harri Stojka. It was really amazing and unforgettable day (and concert!).

Friday, 29 June

After breakfast and energizer we went to our bungalows and cleaned them because after that we were moving to a new place.

After we cleaned we went to elderly home and helped them with daily routine. After that we came back to bungalows to pick up our luggage and went back to hotel and at 17:00 we had holly mass.

When the mass was finished we went to a bird park and in the evening we had Czech culture night.

Saturday, 30 June

The day started in a new accommodation where we had breakfast.

Later there was a presentation about Ethiopia and how it is to live there.

After we had the pleasure to hear some words from the Higher Representative of Bosnia and Herzegovina, Valentin Inzko. In the afternoon we had the Kick and Rock event with football matches and a concert.

Sunday, 1 July

This was the day of the final Holy Mass all together. In the afternoon we were able to chill by the lake and relax.

Monday, 2 July

This was the official last day of the Youth Exchange Programme. The Youthpasses were delivered to all of the participants.
