St. Primus in Jauntal, Austria

Erasmus+

From June 23th to July 2nd 2019 lot of young's met in St. Primus in Austria, thanks to IniciativAngola. About 70 people in age from 14 to 23 years old from Austria, Bosnia and Herzegovina, Czech Republic, Croatia, Hungary, Portugal, Serbia and Slovenia came together to give life to the theme »See the Human«. The desire was to demystify and consequently eliminate extreme and radical ideologies, show all the dangers of the "isms", work preventive, teach the participants to think critically about the information in (social) media. After a lot of debates in the international groups, workshops and games we got the chance to learn about each country's culture, lifestyle and the problems that we have to face everyday.

Some highlights of the program during youth exchange:

- Interesting guests and workshops
- Interactive activities in the nature
- Visiting Klagenfurt and flash mob on the streets
- Swimming in the lake, Zumba and Olympic games
 - Beach volleyball and soccer tournament
 - Evening concert
- 60 new international friends and good food

During these days we have made connection, understood and helped each other. We were able to see the humans in us.

Daniela Silva from Portugal

Day 1: 24.6. Monday

Prvi dan smo namenili spoznavanju. Pridružili so se nam skavti in pripravili družabne igre. Posebej mi je bilo všeč, da so nas naučili tudi preživetja v naravi (kako postaviti šotor, oskrbeti rano).

Thomas Jaritsch from Austria

Bili smo umorni zbog putovanja, ali bilo je zanimljivo vidjeti kamp. Igre upoznavanja su bile dobre. Podijelili smo se u skupine i skauti su nas učili kuhati, liječiti i preživljavati u teškim situacijama.

Emran Grek from Serbia

Day 2: 25.6. Tuesday

V tem tednu sem izvedela veliko novih stvari, povezanih s splošno razgledanostjo. Spoznala sem ogromno prijaznih vrstnikov z drugih držav, s katerimi smo ustvarili nepozabne spomine na to mladinsko izmenjavo in stkali nova prijateljstva.

Klara Hojan from Slovenia

We started our second day with portuguese energizer and breakfast. After that we had a workshop about global Europe and types of extremism in every country. Also, we were playing Olympic games and in the evening Bosnia-Herzegovina and Portugal had presentation about their countries. We had fun and spent time together.

Lucija Ilakovac from Croatia

Day 3: 26.6. Wednesday

It was pretty exhausting because we had to wake up early in the morning and went hiking. But when we got to the top of the mountain, the view was beautiful and it was worth it. It is such a beautiful country and I think it was a breathtaking experience for everyone.

Diogo Oliveira from Portugal

On this day we were able to connect with our surroundings through an amazing hiking trip, but we also got the chance to drive around the lake in a fun touristic train. We also had a volleyball tournament, which was the best way to spend the day among the friends.

Daniela Silva from Portugal

Day 4: 27.6. Thursday

Ali's workshop was interesting. I'm glad that I have heard his story to know how he came from Iran to Austria and what were the hardest moments of his trip.

Carolina Vital from Portugal

My group was a winner in the game where we created a business which includes and help marginalized groups like old people and people with disabilities.

Gonçalo Silva from Portugal

Mile's workshop was very special. I got to know some heartbreaking facts about Romani community in the area of Novi Sad. I was touched by their life stories but I'm happy to know that there are still people fighting for their rights.

Lorena Šapina from Bosnia and Herzegovina

Day 5: 28.6. Friday

I liked Klagenfurt because its architecture is beautiful, and I am interested in it. I also liked the history of Klagenfurt, and all the legends about the city. Even though it was hot we had a lot of fun.

Tadej Raj from Slovenia

Danes smo se odpravili v Celovec, kjer smo si ogledali cerkev sv. Egidija. V njej se nahaja tudi kapela s prečudovitimi freskami, ki so delo umetnika Ernsta Fuchsa.

Klara Hojan from Slovenia

Day 6: 29.6. Saturday

Not even a super hot weather can spoil a day, when you're having so much fun. We got a chance to play football along side local teams and it ended with a small concert where they played a great music.

Petr Wolf, Czech Republic

Ani nesnesitelná vedra nemohou zkazit den, když je kolem vás spousta zábavy a skvělých lidí. Včerejší den se však nenesl jen v duchu soutěžení, ale byla to také obrovská šance zahrát si s místními týmy fotbalová utkání a užít si spoustu zábavy při pokusech o výhru.

Aneta Kratochvilova, Czech Republic

Day 7: 30.6. Sunday

Hoje o dia foi muito interessante para mim. De manhã eu e o Mark fizemos um workshop em pequenos grupos sobre o nosso projecto de voluntariado (EVS). Depois na parte da tarde foi muito bom termos ido nadar porque estava imenso calor.

Carolina Figueiredo, Portugal

Ma reggeli után elmentünk Sankt Primus templomba ahol egy kellemes misén vettünk részt. Utána a templom területén 4 féle workshopban vettünk részt ahol Angoláról tanultunk.

Pár perc séta után ebédeltünk és hazajöttünk. A a táborba.

Krisztina Pollak, Hungary

Day 8: 1.7. Monday

U ponedjeljak prijepodne podjelili smo se u skupine i posjetili domove za starije osobe. Bili su sretni što smo došli i popričali s njima, a nama je bilo drago što smo im uljepšali dan.
